Sir:

In reply to your letter requesting a Descriptive List of Sergeant
Sabert, Private in Company No. 1st
Regiment 9th Cal. Cav. Volunteers, I have the honor to furnish the
following "Descriptive List" obtained from the records of this Office: which, from the
want of the necessary data, (which is in the possession of the Company Commander)
is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Sergeant Sabert, Private in Company No. 1st
Regiment of 9th Cal. Cav. Volunteers, is

years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 1st day of Sept., 1861,
at the town of Blackford in the State of _____
by Tr. M. Alexander, and mustered into the service of the United
States on the 28th day of October, 1861, at the
town of Cumt. D. Robinson, in the State of _____
by Genl. Thomas, to serve for the period of 3 years,
or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Roll of his Company for the month of
March, 1862, that he was last paid by Paymaster
Wm. J. Thomas on the 31st day of
August, 1862. Latest roll on which
his name appears.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if
obtained at all, from his Company Commander.

REMARKS.

On Muster Roll he is reported "Deserted"
Oct. 12th 1862 Stamford Ky.

Very respectfully,

Your obedient servant,

Samuel D. Cook

Assistant Adjutant General.
(7)

To

Capt. C. H. Fletcher
Muster Officer
Company No. 1st

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a complete list from the company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Date of Dis. as shown by Cert. of Dis. noted on rolls.

To Mr. J. R.
Wm. M. L. A. L. O.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1860 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced. ~~When~~ ~~such~~ ~~case~~ shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Rec'd at B. & H May 16/15
at Branch No 2

War Department,

Adjutant General's Office,

Washington, May 2nd, 1865.

Sir:

In reply to your letter requesting a Descriptive List of John R. ~~Livingston~~, a Private in Company "I", 1st Regiment Kentucky Cav. Volunteers, I have the honor to furnish the following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

There is no evidence of Muster into the Service in Company "I", 1st Regiment of Ky Cav- Volunteers, years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the _____ day of _____, 186____, at the town of _____ in the State of _____ by _____, and mustered into the service of the United States on the _____ day of _____, 186____, at the town of _____, in the State of _____ by _____, to serve for the period of _____ years, and during the war.

ACCOUNT OF PAY.

It is stated on the Muster Roll of his Company for the month of March, December 21, 1864 that he was last paid by Paymaster Maj. McDowell to the 30th day of April, 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS

on same Roll he is reported as absent since October 20, 1863 Prisoner of war Captured at Philadelphia Penn - Oct. 20, 1863. on same Roll he is alleged to have been mustered into the service October 20, 1863.

Very respectfully,

Your obedient servant,

Wm. D. Beck

Assistant Adjutant General

(7)

To: Lt Col Wm. H. Tidell
10th U.S. Inf. Chief W.D. Ky.
Louisville

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

ARTICLES OF WAR.

ART. 55. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representative of such deceased non-commissioned officer or soldier. And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or troop, by promotion or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1862.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Ad. Dr. First Regt. Kentucky Cavalry Vols.,
Mt Sterling Ky
Oct 30th, 1864

To the

Assistant Adjutant General,
Dept. of the Ohio,
Knoxville, Tenn.

Sir:

I have the honor to submit the following statement of my military history,
and request my discharge as Orderly Sergeant Co. (i), First
Regt. of Kentucky Cavalry Vols., to enable me to be mus-
tered into the U. S. service, by virtue of a Commission tendered me by the Governor of
the State of Kentucky.

I enlisted in Co. (i) First Regt. of Kentucky Cavalry
Vols., on the 2nd of September, 1861, and was mustered
into the U. S. service, as an enlisted man, on the 28th day of October,
1861; by Genl Thomas, and
served as such until the 16th day of July, 1864,
when I was commissioned by the Governor of Kentucky,
as First Lieutenant, Co. (i) First Regt.
Kentucky Cavalry Vols., which Commission was received

and accepted by me on the 16th day of July 1867.

I entered upon duty, by virtue of said Commission, on the 16th day of July, 1867, a vacancy then actually existing in said grade, caused by the Promotion of J. S. Parkey; at which time the strength of the Company was, in officers, 1; enlisted men, 52. It now has 1 Ans officers, and 53 enlisted men.

I was last mustered for pay, as an enlisted man, to include the 31st day of June, 1867, and last paid as such to include the 29th day of February, 1867.

*(I was again commissioned by the Governor of _____, on the _____ day of _____, 1866, as _____

Co. () _____ Regt. of _____
_____ Vols., which Commission was received and accepted

by me on the _____ day of _____, 1866. I entered on duty, by virtue of said Commission, on the _____ day of _____, 1866; a vacancy then actually existing in said grade, caused by the _____ of _____; at which time the strength of the Company was, in officers, _____; enlisted men, _____.

I was last paid as a commissioned officer by Major _____ to include the _____ day of _____, 1866.)

The reasons why I have not been discharged and mustered at an earlier date are as follows:

While on the Georgia campaign I had no opportunity of sending my application. Since my return to Va. I have been on the rail into Va. and have been employed ever since that time.

Very Respectfully,

Your obedient servant,

Thomas J. Graves.

1st Co. (G) 1st Regt. Ky Cavalry Vols.

I, S. Adams, Commanding the 1st Regt. of Ky Cavalry Vols., do certify, on honor, that the statement above made by Thomas J. Graves is correct.

S. Adams.

Capt. Commanding 1st Regt. of Ky Cavalry Vols.

*This paragraph, or part of it, as the case may be, will be erased when not required.

NOTE 1.—This application, together with the Commission, should be forwarded direct to the Asst. Com. of Masters of the Division to which the Regiment belongs into which the applicant has been commissioned.

NOTE 2.—When an enlisted man or officer receives a Commission or appointment, advancing him to a higher grade, and has not an opportunity of being mustered in, so as to appear on the next muster rolls as of the grade to which he is commissioned or appointed, he shall be mustered on the next muster for pay roll in his proper grade, according to previous muster-in, and a remark to the following effect made on the muster roll opposite his name: Received Commission (or appointment) from the Governor of the State of _____ in the _____ Regiment of _____ Vols., on the _____ day of _____ waiting muster-in since that date.

ARTICLES OF WAR.

Art. 91. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the company or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. If any one of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the representatives for the same, have occasion to leave the regiment or company, by permission or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officer and soldiers, in order that the same may be secured for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1865.

DECEASED SOLDIERS.

Par. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 90th Article of War, will be forwarded to the Adjutant General by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of the immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 133. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 134. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

Sir:

I have the honor to submit the following statement of my military history, and request my discharge as an enlisted man Co. (H), First Regt. of Kentucky Cavalry Vols., to enable me to be mustered into the U. S. service, by virtue of a Commission tendered me by the Governor of the State of Kentucky.

I enlisted in Co. (H) First Regt. of Kentucky Cavalry Vols., on the 14th of October, 1861, and was mustered into the U. S. service, as an enlisted man, on the 25th day of October, 1864, by Gen. and accepted by me on the 1st day of April 1864.

I entered upon duty, by virtue of said Commission, on the 1st day of April, 1864, a vacancy then actually existing in said grade, caused by the Resignation of Lieut Wm Healey; at which time the strength of the Company was, in officers, 2; enlisted men, 103. It now has 2 officers, and 100 enlisted men.

I was last mustered for pay, as an enlisted man, to include the 30th day of April, 1864, and last paid as such to include the 29th day of February, 1864.

*(I was again commissioned by the Governor of _____, on the _____ day of _____, 186____, as _____ Co. Private Co. (K) 1st Regt. N.Y. Cav. Vols.

I, S. S. Adams, Commanding the 1st Regt. of N.Y. Cav. Vols., do certify, on honor, that the statement above made by Abraham Grubb is correct.

disability in the
Case of Capt
J. H. Hackley
Co. B. 1st Reg. Cavalry

Val

Hospital No 3 Lebanon N.Y. Nov 4th 1862

This is to certify that I have carefully examined Capt. J. B. Mackley
of the 1st Regiment N.Y. Cavalry (40th)
and can state that in consequence of
protracted ill health, supervening upon
Rubella Oct 21st 1861 and a severe
spell of Typhoid Fever December 1st
and January 1862, and a severe
attack of Dysentery at Pulaski Penn
July 1862, all of which has so shattered
his constitution that I regard him
unfit for the duties of a soldier
any longer, having been more than
half of the time since having been
under treatment for some disease
or other infirmity. His system seems
susceptible to every passing epidemic
therefore I would recommend
his discharge from the service

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h.*, *j.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For. 12th Regulations, Edit. 1871.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward those papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate of this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of those certificates down to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given into the hands of the soldier.
